

Moments at the Middle School

From Dr. Lux and Mr. Rice

April 28, 2023

Our students did an excellent job with the English Language Arts PSSA tests this week! Thank you for all of your support, ensuring that your children get proper sleep and eat a healthy breakfast. Please take a look at next week's plans regarding testing:

Math PSSAs (all grades): Monday, May 1 and Tuesday, May 2

Science PSSAs (grade 8 only): Wednesday, May 3 and Thursday, May 4

Algebra I Keystone Exams (all students enrolled in Algebra I): Tuesday, May 16 and Wednesday, May 17

8th Grade Dinner/Dance - Saturday, June 3rd from 6 to 9 pm

We are very excited to celebrate with all of our 8th grade students for this special dinner and dancing event! The annual dinner/dance will be held on June 3rd from 6-9 pm at Hampton High School. *The paper invitation was distributed in homeroom today!* Tickets are \$15 per student. We ask that you send in the RSVP form by May 12th. Also, please note that we plan to create a picture slideshow of our students. Watch for the note on how to upload your photos in the invitation! The dance is semi-formal, and we do ask that the dresses/formal attire follow the school dress code. This is also not a "date dance" -- just come and have fun! There will be a buffet of food from Emiliano's, a photo booth, dancing and games! If you have any questions, please reach out to Trish Buben at tab190@gmail.com. We are so grateful to our PTO for helping with this event!

"8th Grade Day" - Friday, June 2nd

Our teachers and staff are very excited to celebrate our 8th grade students! We will be taking the **8th grade class to Kennywood on Friday, June 2nd!** Approximately 15 HMS teachers/staff will be chaperoning this trip! The 8th grade students were given a flier including all of the details. We will leave HMS at 9:45 am and return to HMS at 7 pm. The cost for the ticket and transportation is \$43/student, made payable to HTSD. Our PTO will be providing each of our students with an 8th Grade Day t-shirt. *If you have a financial need, please reach out to your child's school counselor.* We are very excited to take all of our students!

Summer Camps at Beattie

The Summer Camps at Beattie are open to any student entering 6th grade through entering 9th grade. Please click on the link below to view the offerings.

[2023 Summer Camp Registration is Open - A.W. Beattie Career Center \(beattietech.com\)](https://beattietech.com)

Children's Book Donations

The Rotary Club is working with Head Start; they are asking for you to consider donating gently used Children's books from birth to grade 5 reading level. Please consider donating some books. Your student may bring them to the HMS Main Office.

Join our PTO!

First, we would like to thank our amazing PTO for all of the wonderful work that they do for our students and for our school. We are so grateful to have such a dedicated and hardworking group of parents who spend countless hours working to create special opportunities for our students. We would like to encourage you and ask you to consider joining our PTO! We will have several

PTO board vacancies next year, and many opportunities to help. If you are interested in joining, please contact Mr. Rice or Dr. Lux, and we will direct you to a PTO representative.

Homework Club

Homework Club is offered on Mondays, Tuesdays, Wednesdays, and Thursdays after school from 2:45 to 3:45 pm. If your child would benefit from receiving a teacher's help with his or her assignments, then Homework Club may definitely help! We will have two certified teachers available to assist the students with their assignments. Students will need transportation home at 3:45 pm; students will be picked up from the front of our building.

Math Lab

Math Lab is a great option for all of our students!

- Does your child need help with a math problem?
- Does your child need help completing his or her math homework?
- Does your child need help studying for an upcoming math quiz or test?

If you answered yes to any of the questions above, then the HMS math lab is the place for your student to get some help from one of our certified math teachers! Math Lab will run 4 days per week: Mondays, Tuesdays, Wednesdays, and Thursdays from 2:45 to 3:45 pm; students will meet in D403, the Math Lab.
